

Happy New Year!

The Hatfield Sanitation Board is making several changes to update.

First, we would like to Thank Helen Bohoc for her years of service as the clerk for the Hatfield Sanitation District! Helen has served as the clerk since 1998. Helen has recently decided to retire.

We would like to welcome Jean Campbell as the new clerk for the Hatfield Sanitation District 1. Jean will be taking over the duties of Helen effective January 1, 2024. Helen will be assisting Jean with transferring these duties over. Please be patient during the transition period. With Jean leaving the board to become clerk, we would like to also welcome Gayland Burge as our newest board member.

We are happy to say that with strict budgeting and expense control the rates for 2024 will remain the same.

We are also excited to let everyone know that we are working on a website that will allow payment on line. The website is hatfieldsanitarydist.com, more details to come as this evolves. Please continue to mail your payments to Hatfield Sanitary District #1 N9508 County Road K Merrilan, WI 54754 or drop off at the Sanitation office. (drop box on outside of building for after hours).

We are working on updating our records if you could please complete the information below and mail back to Hatfield Sanitary District #1 N9508 County Road K Merrilan, WI 54754 or email to Jean at hatfieldsanitaryclerk@gmail.com it would be appreciated.
