Hatfield Sanitary District 1 Residents

The Hatfield Sanitary District is making a few changes to our billing process, this change is part of our ongoing effort in keeping costs down which has been challenging with the rise of chemical treatments, aging equipment, service cost, insurance and parts. We have not raised sewer charges in the last 2 years.

We are enclosing the final billing for 2024 (unless you currently receive and pay online-we will be sending your final billing via email). Starting in 2025 there will be only one billing for the entire year, currently \$460.00 a year rather than \$115.00 each quarter.

The 2025 billing will go out on March 1st. Any bill not paid within the 45 days will be charged a \$5.00 per month late fee. Any bill not paid in full and received by September 30, 2025, will be put onto your property tax bill.

BUSINESS PROPERTY OWNERS-you can continue to make 4 payments per year if you wish, but you will only receive one billing and it must be paid in full and received by September 30, 2025

BUSINESS PROPERTY OWNERS :

1ST Payment DUE MARCH 31, 2025

2ND Payment DUE MAY 31, 2025

3RD Payment DUE AUGUST 31, 2025

4TH Payment DUE SEPTEMBER 30 2025

We have provided online billing/pay which some are utilizing and it is appreciated along with many already paying for the entire year which is appreciated.

Our goal is to reduce costs by reducing mailings and postage.

Thank you
